The agreed colour scheme for units is mission brown which is compatible with unit infrastructure including bricks, roof tiles, down pipes, guttering, window and door frames, garage doors and fences. However over time a number of compatible and complimentary colours have been introduced by paint companies and these are acceptable, and within the mission brown palette. Compatible colours include Fudge Truffle, Chocolate Mousse, Dark Granite, Phantom Mist, Mission Brown and Rocky Road. Owners are encouraged to contact the Strata Manager if they have any queries regarding options being considered
